Armstrong Ladies Lacrosse was established in 2001 as a club sport in the Northcentral Schoolgirls Lacrosse Association and was awarded Varsity status by the School Board in 2006. Since then, the team has made 2 state tournament appearances and has compiled a record of 53-27-5. Player awards include all-conference, all-state, and three players who were named U.S. Lacrosse Academic All American. The program has been annually rated as one of the best in the state and continues to get stronger each year with 50 girls participating in the Varsity and Jr. Varsity programs.
